

POST TITLE: Staff Nurse (RGN)

RESPONSIBLE TO: Head of Care/Senior Staff Nurse

JOB DESCRIPTION

Purpose and summary of job:

To achieve the highest possible standard of care in a professional manner by providing direct nursing care to patients experiencing mental health problems / physical health care needs. Effective supervision of Staff, working within a Multi-Disciplinary Team to deliver needs based care.

To assist in providing high quality care and a safe and therapeutic environment. To take charge on a regular basis and to assist in the supervision and development of Junior Staff, Nurses, Support Workers and students. To support the development of evidence based practice.

MAIN RESPONSIBILITIES:

Care:

1. Be responsible for the co-ordination, assessment, planning, implementation and evaluation of individual Patient programs of care. With a focus on risk assessment and risk management strategies, ensuring that the requirements of the Care Program Approach are met in a timely manner.
2. Ensure that all Staff contributes to the efficient running of the Hospital and the creation of an atmosphere conducive to the best interests of the Patients. Duties may include acting up for the Head of Care and/or the Hospital Manager in their absence.
3. Report any ill health amongst Patients and make requests for R.M.O / GP / Professional visits where necessary.
4. To support empowerment of Patients having regard for their dignity, rights and advice, whilst maintaining professional responsibility for individuals in our care.
5. Ensure that individual care plans are completed and maintained in conjunction with Patient, Relatives and other Health Care Professionals, and in accordance with NMC guidelines.
6. To participate in the planning, delivery and evaluation of specific therapeutic interventions.

JOB SPECIFICATION

-
7. Assess Patients in all aspects of their care needs to provide health supervision and attention through direct Nursing Care when needed.
 8. Assist social and health care needs of new Patients to maintain on-going assessment and review of all other Patients.
 9. Carry out regular checks on Patients at intervals determined by the Head of Care or the Hospital Manager.
 10. To support the development of the process and practices of My Path and Recovery.
 11. Administer prescribed medicines and document the same in accordance with Cygnet Health Care procedure and Healthcare Commission guidelines.

Communication:

12. Participate in Staff and Patient meetings and attend training sessions as required.
13. Understand and ensure the implementation of the Hospital's Health and Safety Policy, Emergency and Fire Procedures.
14. Establish and maintain good communication with Patients, Relatives and with the multidisciplinary team.
15. To assist in the maintenance of and promotion of effective communication with patients, relatives, staff and other agencies, whilst developing good relationships, promoting education and awareness of the role of the service.

Marketing:

16. Actively market the Hospital and promote a positive personal / professional profile within the local community.

Training & Development:

17. Supervise junior Staff in all aspects of their work and by example, teach and guide them. Attend any training sessions that may be organised.

Health & Safety:

18. Report immediately to the Head of Care, or the Hospital Manager, or the person in charge, any illness of an infectious nature or accident incurred by a Patient, colleague, self or another.
19. Understand and ensure the implementation of the Hospital's Health and Safety Policy, Emergency and Fire Procedures.
20. Report to the Head of Care or the Hospital Manager, any faulty appliances, damaged furniture or equipment or any potential hazard.

General:

21. Promote and ensure the good reputation of the Hospital / Unit. To act as a positive role model, maintaining professionalism and demonstrating a positive attitude towards patients, their families visitors and others.
22. Adhere to all appropriate NMC guidelines / regulations.
23. To demonstrate non-discriminatory practice in all aspects of work.
24. Maintain and improve professional knowledge and competence.
25. To act in a supervisory role and/or nurse in charge as required, co-ordinating the nursing and support team in the delivery of effective care within the agreed resources.
26. Maintain all logbooks and records as required by both the registering authority and the Directors of the Group.
27. To assist in ensuring quality targets are met in accordance with agreed standards.
28. Notify the Hospital Manager as soon as possible of the inability to report for duty, and also on return to work, from all periods of absence.
29. Ensure that all information of confidential nature gained in the course of duty is not divulged to third parties according to NMC guidelines.
30. Ensure the security of the Hospital is maintained at all times.
31. To participate in agreed systems of appraisal and individual performance review within the role of both employee and Manager.
32. Adhere to all Group policies and procedures, and protocols within the defined timescales, Healthcare Commission standards and guidelines, Department of Health guidelines and legislations, including the Mental Health Act and Code of Practice.
33. Undertake other duties, as required, by the Head of Care or Hospital Manager.
